MOOSE FRATERNITY

October 5, 2026

Mr. Larry Konieczny, Administrator
Dale City, VA Moose Lodge No. 2165
15424 Cardinal Drive
Woodbridge, VA 22193

Dear Members of Dale City Lodge No. 2165,

One of the things I enjoy most when traveling on behalf of Moose International is having the opportunity to stop in and visit our Lodges. While I was in Virginia this past weekend, I decided to make a surprise visit to Dale City Lodge, and I am certainly glad I did.

This was my first visit to your Lodge, and Mary and the members who were there could not have made me feel more welcome. I enjoyed the opportunity to sit down, visit with everyone and simply spend some time getting to know a little more about Dale City Lodge and its members.

Before I left, I was invited to come back Saturday morning for the Moose Legion breakfast. I took you up on the invitation, and I am glad I did. The breakfast was wonderful! Even more important than the food, however, was seeing the members who were there early on a Saturday morning giving their time to make it happen. It was another great reminder that successful Lodges don't just happen. They are built and sustained by dedicated volunteers who continue to show up, pitch in and do whatever is needed to make their Lodge a place where people want to be.

Those are the things I enjoy seeing when I visit our Lodges. It doesn't have to be a big event or a special occasion. Sometimes it is simply a good breakfast, good conversation and members working together that tell you a lot about a Lodge and the commitment to the local community.

Thank you to everyone who made me feel so welcome during my first visit, and a special thank you to those who gave their time and talents to make Saturday morning's breakfast such a success. Next time I will do the dishes.... for real!

Sincerely and fraternally,

Scott Hart
Chief Executive Officer
